Field Operating Procedure FO.20 - MCB-211-93

Ned Hutchins, Acting Associate General Manager
Environmental Restoration Management
EG&G Rocky Flats, Inc.The Department of Energy (DOE) has received the copy of Field Operating Procedure
FO .20 Sampling Liquids and Solids from Environmental Materials Containers.DOE will review this document internally before transmitting the document to
the regulators for their comments and approvals. This process may well
extend the time necessary for approvals so the target date of November 29,
1993, may not be achievable.If you have any questions, please contact Scott Surovchak of my staff at
extension 3551.Richard J. Schassburger
